			xv. Comments of MSDE on Cabinet Notes received from different Ministry xvi. COVID-19 coordination xvii. Any other matter as directed		
Reporting to Secretary through PrA	<u>SGOS Division</u> Addl Charge: Shri B.K.Sikdar, Director		i. SGOS and coordination of SGOS implementation ii. MSDE Vision Plan 2025 iii. Any other matter as directed		

2. For **COVID-19** issues, each division would work on COVID related matters relating to that division, while Policy Division responsible for Covid Coordination, would be responsible for getting information from all divisions and collating the same for further reporting.
3. All **EFC Note/ Cabinet Notes** from other Ministries would be coordinated by the Policy division. The Policy division would send any reference received on EFC Note/ Cabinet Note to the concerned division/ divisions for further action. If the Note pertains to subject relevant to only one division, that division would send the remarks directly to the concerned Ministry after taking due approval, with copy marked to Policy division. If the Note involves collection of comments from a number of divisions, then the Policy Division would collect the comments from the divisions, and send the comments to the Ministry after collating the same and getting due approvals.
4. The Ministries have been allocated to the individual Divisional Heads only for coordination purposes related to those Ministries. That is the division allocated any particular Ministry will deal with only that reference from the allocated Ministry which does not pertain to any specific subject allocated to any of the divisional heads, or pertains to subjects related to more than one divisional head, requiring coordination with multiple divisions. Any reference on any particular subject received from Ministry would be dealt with by the subject dealing division only. This does not apply to EFC Notes/ Cabinet Notes which would be dealt in a manner given above in Para 3. For example, if a reference comes from Cabinet Secretariat regarding PMKVY, then only the STTM Division dealing with PMKVY will deal with that reference. However, if a reference comes from Cabinet Secretariat on status of skilling programmes in MSDE, then the IC division, which is in charge of Cabinet Secretariat, will deal with the same.
5. References from States would also follow the principle given in Para 4 above. Also the concerned division in charge of any state should maintain the status of all programmes in the allocated states, along with background note on the state, updated at least once a month.
6. All individual **E-samiksha** points would be updated by the respective divisions after taking approval of Secretary. Establishment division in charge of E-samiksha coordination wing would ensure that such actions are taken regularly by the individual divisions. It will also take up e-samiksha points which are not particular to any division, or would require inputs from more than one division.
7. EAP Division in-charge of **externally aided programme coordination** would be the nodal agency for interacting with DEA and dealing with any external institution which is funding/ proposing to fund any activity of MSDE. It will act along with the division whose schemes/

activities are sought to be funded, till at least sanction of loan /grant. During the time of implementation, the implementing division would be responsible for the programme, but the EAP division would continue to get periodical reports from the implementing division, and maintain a master chart for all externally-aided programmes of the Ministry.

8. This issues with the approval of the competent authority.

(R K Gupta)
Director

To

1. All wing Heads of MSDE as above
